

Safeguarding and Welfare Requirements: Safety and Suitability of Premises, Environment and Equipment Providers have a no-smoking policy, and must prevent smoking in a room, or outside area, when children are present or about to be present.

P5 No Smoking Policy

Policy Statement

We comply with health and safety regulations and the Welfare Requirements of the EYFS in making our setting a no-smoking environment - both indoors and outdoors.

Procedures

- All staff, parents and volunteers are made aware of our no-smoking policy.
- We display no-smoking signs.
- The no-smoking policy is stated in our information brochure for parents.
- We are on a No smoking site
- We actively encourage no-smoking by having information for parents and staff about where to get help to stop smoking if they are seeking this information.
- Staff who smoke do not do so during working hours, unless on a break and off the premises and grounds.
- Staff who smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues.
